

ST.PIOUS X DEGREE & PG COLLEGE FOR WOMEN

ALUMNI COMMITTEE

2020-2021

Established in 2006, St. Pious X Alumni Association creates and maintains a life-long connection between the Institute and its alumni. In collaboration with an extremely dedicated Alumni Committee, the Alumni Association works to connect alumni, support students and build an unforgettable institute experience through diversity of events, programmes and services. The mission of the Association is to foster strong bonds between alumni, students and the Institute, to keep alumni informed, and create a network enabling them to remain engaged with their alma mater and help shape its future through the Association's programmes and services.

POLICY:

For the effective and sustainable alumni association and an Alumni Committee is constituted by the management to provide vision, guidance and coordinate the activities of the alumni association. The committee comprises of Principal, Vice-Principal, senior faculty member and the alumni members who are as faculty members in the institution. Management of the association is vested with Alumni Committee and the Executive Council (EC) comprising of President, Vice- President, Secretary, Treasurer and few executive members. Member of the EC are elected by members of alumni. Every year the outgoing students are encouraged to become member of the association. No office bearer can hold the office for more than 2 years. Various activities like fund raising, mentoring, career guidance, etc are planned and executed by the association. Report of the same will be presented at the annual general meeting.

OBJECTIVES:

- To establish a link between the alma mater and the old students thereby maintaining a mutual beneficial relationship between the college and its alumni
- To promote networking among the alumni members and support the college in pursuit of excellence

- To provide forum for alumni to come together to share experiences, exchange ideas, spread knowledge, stimulate thinking and help st. Pious college to provide excellences in all branches.
- To foster the transfer of strong ethical values from one professional generation to another and to advance respect and understanding among those who serve in chosen career field.
- To facilitate the personal and professional development of alumni
- To cooperate and support the fund raising effort for the benefit of students.

Alumni For Alma Mater:

- **Fund Raising:** The Alumni acts as one of the biggest benefactors of the institution by the ways of contributing funds towards the various developmental activities of the institution.
- **Placements:** Alumni participate actively in the placement activities of the college by conducting pre placement activities such as conducting Mock Interview, guiding the students in resume drafting, orienting them on etiquettes of attending interview etc. They are also instrumental in bringing various corporate organizations to the institution for the placement drives.
- **Mentorship:** Alumni play an active role in voluntary programmes like mentoring students in their areas of expertise by organizing guest lectures, orientation programmes, workshops etc.

- Scholarship: The Alumni contribute significantly towards awarding scholarships to deserving students every year on the college annual day based on the academic performance
- Career Guidance: Alumni are the huge talent pool whose guidance is beneficial to many students and other fellow alumni in their respective areas of study
- Networking Platform: In this era of social networking the institution connects with the alumni through various networking medium like website, Email, Facebook, Whatsapp, twitter etc likewise even the Alumni community have realised that it's not just a mere nostalgia that they associate their alma-mater with, but it's much beyond that
- Social Responsibility: The association entered into a MOU with a voluntary organization called, Our Step For Service (OSFS) to work in cooperation for undertaking social activities such as health & awareness programs, communication training programs, women empowerment programs etc. It also collaborated with other NGO's like Voice for Girls in conducting various social activities.
- The Pious alumni association holds an annual general meeting known as ALUMNI MEET, which is an initiative taken to stay in touch with our alumni and to ensure that our alumni feel connected irrespective of the physical boundaries.

Dear Suma Tiruvayipati,

Greetings from Sr. Velangini, Principal, St. Pious X Degree and PG College for Women, Hyderabad.

St. Pious College has been committed to its mission of achieving high academic and ethical standards along with scientific aptitude and social consciousness for 27 years. We strive to provide value-based quality education and empower women through holistic approach and function effectively as competent, socially committed and compassionate individuals focusing on core values - Quality Consciousness, Integrity, Innovation and Service which give us immense satisfaction for playing a role in shaping our student's values.

On behalf of St. Pious X Degree & PG College for Women, I thank you for being such generous alumni contributor of Rs.30000.00 for the education of **Shravanthi II B.Com** whose father is affected with COVID-19 and black fungus and **Rashmika I B.Com** whose parents lost their job during these testing times. Your support will definitely reassert her faith in education and in life as a whole. Your kind gesture proved that the College go hand in hand with Pious Alumni.

Thank you very much. God bless you and your family members.

Regards,

3. Career Guidance Program:

On 4th August 2020 at 1pm, INSPIRE - A knowledge sharing career guidance program was organised by departments of Physical Sciences. The target group of students was all the III B.SC physical Sciences. The purpose of conducting this program was to enhance the knowledge of the current final year students on wide range of opportunities and to enlighten them on various career challenges. It was an interactive program between the distinguished Alumni and students. The program is designed to enable graduates to join the work force right after degree, and suitably prepare those who want to go on to higher education. A total of 203 participants attended the webinar. The Speakers/Alumni: were

1. Dr. G. Lalitha, Asst. Prof. Of Physics, Telangana University
2. SusheelaSreeAkunuru, Systems Engineer, Infosys
3. V. Manimegala, System Engineer, TCS

4. Interactive Session with Alumni:

Department of microbiology organized an Interactive Session with Alumni on 4th February 2021. The Alumni for the day was Erica Nathan (B.Sc. 2009) now working as Scientific associate, Cancer Research, Cambridge University, London, interacted with the PG students on the eve of World Cancer Day. She explained her research work such as brain surgery on mice and others related to cancer therapy. She also advised them on interview skills and further studies in India and Abroad. The session was highly informative and interesting and research opportunities present in London after their postgraduate degree and the value of the universities, whether they are considering a Masters, a PhD, or job in research. It can also help them decide which path you want to take after your P.G.

The session ended with a friendly interaction with the students. The session came to an end with a thank you note.

5. Capacity Building Program

As a part of Capacity Building Program, on 7th December, 2020 Dept. of Physics conducted a webinar “It’s time to Inspire-Aspire to take Internships” to I M.Sc. Physics Students. Ms. M. Sireesha, Alumni is the Resource Person. Total 30 students participated on online mode (Google Meet).
