Report on Expert Talk on World Intellectual Property Day

- **Name of the Activity:** Expert Talk on World Intellectual Property Day
- **Level of Activity:** Academic activity - Expert Talk
- **Date:** Saturday, 26th April 2025
- **Time:** 1:30 PM onwards
- **Venue:** Silver Jubilee Hall
- **Target Group:** All Postgraduate Students
- **Organized by:** Institution's Innovation Council (IIC) and Research Committee (IPR Cell)

Resource person details with contact details:

Dr. V. Samunnatha, Placement Officer, Dept. of Business Management, Vice-Principal, University College of Commerce & Business Management (UCC & BM), Osmania University

Mobile: 94413 81847

Objective of the event:

This expert talk aims to enlighten postgraduate students on the significance of Intellectual Property Rights in today's innovation-driven economy. The session will cover various aspects of IPR, including its role in business strategy, legal frameworks, and the importance of protecting intellectual assets. Attendees will gain insights into how IPR influences entrepreneurship and the commercialization of innovations.

World Intellectual Property Day, observed annually on April 26, was established by the World Intellectual Property Organization (WIPO) in 2000 to raise awareness about the role of intellectual property (IP) in fostering innovation and creativity. The date marks the anniversary of the entry into force of the WIPO Convention in 1970.

The theme for World IP Day 2025 is **“IP and Music: Feel the Beat of IP”**, highlighting the vital role that intellectual property rights play in supporting the music industry. This theme underscores how copyrights and related rights protect the creative endeavors of musicians, composers, and producers, ensuring they receive recognition and remuneration for their work.

Brief report with outcome:

On the occasion of World Intellectual Property Day 2025, the Institution's Innovation Council (IIC) and the Research Committee (IPR Cell) jointly organized an expert talk by Dr. V. Samunnatha, Placement Officer and Vice-Principal. The programme commenced with a warm welcome address by Dr. B. Susmitha, followed by an insightful note on the

significance of the day delivered by Dr. Kiranmayi, Co-ordinator of the IPR Cell. Prof. S. Pardhasaaraadhi, Dean of Research, also addressed the gathering, emphasizing the importance of intellectual property in academia and innovation. The occasion was further graced by the presence of Dr. Sudha Swaraga, Co-ordinator of the Research Committee, and Dr. Anjana Shukla, President of IIC.

The session aimed to raise awareness among postgraduate students about the importance of Intellectual Property Rights (IPR) in today's innovation-driven economy. Dr. Samunnatha highlighted the role of IPR in business strategy, legal frameworks, and the protection of creative and intellectual assets. The event successfully enlightened students on how IPR influences entrepreneurship and innovation, and encouraged them to explore the legal and commercial dimensions of intellectual property. With enthusiastic participation 111 postgraduate students and faculty members, the session proved to be highly informative and impactful, fostering a greater understanding of IPR and its significance in creative domains. Feedback collected from all the participants.
