

Events 2021-2022

Seminars

- Department of Zoology & Genetics organized two-Day webinar on IPR – Intellectual property Rights and Research Ethics was organized.

Workshops conducted:

- 5th June: The Department of Zoology organized an online student centric activity on the occasion of World Environment Day in collaboration with ITC WOW-Best out of Waste on the theme ACT TO RESTORE. The students uploaded the picture of the item prepared from waste. 150 students participated from all streams of B.A, B.Sc and B.Com.

Paper Recycling:

- 9th-11th Nov, 2021: Departments of Zoology & Genetics organizes the Paper recycling activity in collaboration with ITC WOW (MoU). Students and Faculty from all Streams BA B.Com BSc PG BBA MBA actively participated. 4 tons of paper was collected and sent for recycling. Students and faculty received stationary from ITC.
- 1st Dec, 2021: The Departments of Zoology and Genetics organized Zoo-Gen Fest. The objective of the programme was to strengthen the MOUs of the Department and receive appreciation from the Industry (ITC WOW) for the extension activity carried out last month for contributing 4 Tons of old books for recycling.

Guest Lecture:

- The Department of Zoology & Genetics organized guest lecture on 19th January 2022. The topic of the guest lecture was "ANIMAL BEHAVIOUR".

Student Centric activity:

- 4th February, 2022: The Department of Zoology and Genetics organised a Career guidance programme on "Career options for life science graduates" for life science students.
- 2nd Sept – 17th Nov, 2021 Dept. Of Zoology conducted Survey of Campus Fauna to students of I II & III MZC enthusiastically participated

in the biodiversity count of the campus fauna and captured the photographs and videography.

- 10thNov, 2021: On the occasion of World Environment Day, Student Centric Activity was organized by "DEPARTMENT OF ZOOLOGY & GENETICS" in collaboration with "ITC WOW", under the supervision of Dr.Grace Beena Paul, Head Department of Zoology, Mrs.Mubeen begum, Head Department of Genetics & Mrs. Sujatha Uram. The theme of the activity was 'ACT TO RESTORE', students were asked to make best out of waste. 150 students actively participated. The activity was held online due to the ongoing COVID pandemic.
- 28thJuly 2021: On the Occasion of World Nature Conservation, the Department of Zoology assigned an activity for all First year Life Science students to study the Fresh water Bodies of the Twin cities and present their report. Five lakes were studied. I MGC presented their report on Laxmi Narayana Cheruvu ,I MZC on Hussain Sagar lake, I BTBC on Saroor lake, I BTMC on Durgam Cheruvu and I BCMC on Osman sagar Lake.

Awareness Program:

- Research committee and IQAC of the college organized awareness program on “IPR Policies and Patentable Items in India” on 28th February 2022.The objective of this program is to enlighten the students about the importance of IPR ,applicable laws & regulations regarding IPR and how protection of their IP rights will benefit all stake holders.

Extension activity:

As a part of Extension activity the Departments of Zoology and Genetics visited Govt. Wesley School at Nacharam on 8th December 2021. The Second and Final year students shared the joy of Christmas with School children from class 6-10.It was a joyous moment of singing and sharing with the least privileged carried the Torch of St. Pious College in the neighborhood.

Seminars/Orientations Attended:

- 3rd Sept 2021. Dr.Grace Beena Paul presented a research paper on “Papilio demolous and citrus interactions and Management” at an International E-conference “Applied Biosciences for sustainable Development” organized by Departments of Microbiology and Biochemistry, St.Pious X Degree & PG College for Women.

- 21st Aug, 2021: Dr.Grace Beena Paul attended a national webinar on “Mosquito, Malaria and contributions of Sir Ronald Ross Institute of parasitology SRRIP, Department of Zoology Osmania University of Science and Centre for New Molecules in Health and Environmental Applications.
- 1st June -5th June 2021: Dr.Grace Beena Paul attended a 5day Virtual FDP, on Revised NAAC Accreditation Guidelines, organized by Jain Deemed to be University, Bangalore, Department of Computer science and IQAC.
- 5th JUNE 2021: The students of I MZC, II MZC and faculty Dr.Grace Beena Paul attended a National webinar organized by Centre for Environment Education on the occasion of World Environment Day
- 13th JULY 2021: Dr.Grace Beena Paul attended an online interactive session with United Board Member and discussed the funding projects and various opportunities for students and faculty at the International Level and also participated in the discussion on the relevance of social Impact of the Institution on the society in terms of imparting knowledge Research and Leadership.
- 25th Sept 2021: Dr.Grace Beena Paul attended a National webinar on Epidemics and Recent Trends in Agriculture, Biotechnology organized by the department of life Sciences of TSWRDC (W) Kamareddy College.
- 3rd-5th Sept 2021: Dr.Grace Beena Paul attended an International E-conference Applied Biosciences for sustainable Development organized by Departments of Microbiology and Biochemistry, St.Pious X Degree & PG College for Women
- 19th August 2021: Dr.Grace Beena Paul attended a webinar on Introduction & prospects in waste Management organized by Eco-committee.
- 28th August 2021: Dr.Grace Beena Paul as a member of IQAC participated and conducted prayer part in the seminar, Institutional Framework for Autonomy.
- 18th- 19th Dec 2021: Dr.Grace Beena Paul and 20 students from I, II & MZC attended a Two day National Symposium on "Innovative Challenges in applied Aspects of Zoology" Osmania University, Dept of Zoology.

Faculty Development Programme:

- 1st-5th June 2021: Dr.Grace Beena Paul attended a 5 day Virtual FDP, on Revised NAAC Accreditation Guidelines organized by Jain Deemed to be University,Bangalore.
- 12th-16thJuly: Dr.Grace Beena Paul attended a 5 day ATAL FDP on Role of Microbes in planning for alternative fuel strategies ,organized by Srikrishna Arts & Science College.
- 18th June 2021: Dr.Grace Beena Paul qualified the Moodle Test for Teachers, provided by spoken Tutorial project IIT Bombay.

Celebrations:

- 28thFeb, 2022: As a part of National Science Day Celebrations the Departments of Zoology and Genetics organized Essay writing Competition at the intercollegiate level on the topic- Climate change issues and challenges.26 participated and declared 3 prize winners.
 1. Spurthi –Jr.Bi PC Srichaitanya Jr. College –First Prize
 2. Sheshidaman HPS-Begumpet College –Second Prize
 3. Dhanavath Veena St.Pious X Degree & PG College for Women-Third Prize
- 21st August 2021: The Departments of Zoology, Genetics and physics organized the Institution Day. The programme was scheduled online for all the students followed by offline programme for all the staff members in the silver jubilee Hall. The organizing Departments conducted Online quiz ,Know Your patron Saint ,Solo Dance competition on the theme Family values. The out going students presented a short video on the Virtues of St.Pious.
- The Departments of Physics, Genetics and Zoology organized Felicitation programme of Sr.Japamala becoming Mother General. The former Mother general Sr.Rose Linda and few sisters from Italy graced the occasion.
