

Report on two day workshop on e-yantra

on 23-24th July, 2019

Department of Physics and Computer Science organised Two day faculty development workshop ' Introduction to Robotics' from 23 - 24 July 2019 in association with e-Yantra which is an initiative by IIT Bombay, and sponsored by MHRD under the National Mission on Education through ICT program that aims to create the next generation of embedded systems engineers with a practical outlook to help provide practical solutions to some of the real world problems.

This Two Day Workshop on "Introduction to Robotics" was conducted as a part of e-Yantra Lab Setup Initiative (eLSI). Mr.Vivek L. Sabanwar, Senior project assistant and Mr.Prasad Trimukhe, Senior Project Assistant were resource persons for the technical sessions.

e-Yantra Lab Setup Initiative (eLSI) was a national level college program under which colleges are encouraged to setup robotics labs. It was designed as a scalable and sustainable approach that addressed infrastructure creation and teacher training – to create an eco-system at the colleges to impart effective engineering education. 38 faculty members from 13 colleges have participated in this workshop.
