RESEARCH POLICY

St Pious X Degree and PG College for Women developed a rich cultural heritage of core values in providing quality education, research and innovation. The Research committee plans and takes initiatives to promote, evaluate and sustain the quality of research based on contemporary issues and global challenges. The policy guidelines of NEP 2020 are an integral part of the research policy of the Institution. The Research Committee gives special emphasis on funded projects and updates the faculty members about the availability of funding agencies and encourages the staff and students to take up multi-disciplinary research for societal benefit and Nation building.

The Research committee in consultation and approval of the Governing body and Academic council, framed the following research policy

1. To promote research and research culture in different disciplines, to uphold the core values, mission and vision of the college.
2. To provide allocation in the budget for Research Administration.
3. The Institution encourages research with Seed Money Grant to the faculty members for carrying out projects fostering scientific and research culture in the institution.
4. To provide allocation in the budget for providing incentives for encouraging research and publication of papers in peer reviewed Journals, Books, Book Chapters and Reviews.
5. To further develop Infrastructural Facilities i.e. Laboratory, Library and Physical Facilities from time to time.
6. To lay down guidelines for framing a timeline, extending financial support and other norms for submission of project proposal, publication of research work, Books, Book chapters, Book Reviews etc.
7. To extend support to faculty in providing extra facilities to the Principal Investigator and the staff members in pursuing their Doctoral Research in terms of reduction of teaching loads, adjustment of time table and granting short leaves on absolute need.
