I. Awards and Achievements

IDA award

St. Pious X Degree and PG College for Women was conferred with Torchbearer Award in Higher Education under Nurturing Student and Faculty Wellbeing Category at IDA Awards in Education 2023. The event was conducted by India Didactics Association (IDA) from Oct 17 to 19, 2023 at Bangalore International Exhibition Center, Bengaluru, India.

5Torch bearer IDA Award

NCC Ranking Ceremony

CTO CH.Rachana, Faculty, Dept. of Commerce was commissioned for Association NCC officer on Oct 17, 2023. She is ranked as Lieutenant CH.Rachana *Congratulations!!*

NCC Ranking Ceremony

Appreciation by Voice4Girls

Mrs. P. Soumya Sree, Faculty Department of Computer Science was awarded with a memento by Voice4Girls NGO on Nov 10, 2023 as an appreciation for her contribution and support to the NGO.

Felicitation

Ms. Suneetha Sigiram, Librarian, was felicitated on behalf of the Institutions' initiative of Animal adoption from Nehru Zoological Park, Hyderabad as part of the Diamond Jubilee Celebrations and 69th Vanya Prani Saptah Celebrations-2023, held on Oct 6, 2023. *Cheers!!*

Diamond Jubilee Celebrations and 69th Vanya Prani Saptah Celebrations-2023

Nomination by Osmania University

Mrs. Pujari Bhavani, Physical Director, was nominated on Nov 11, 2023 by Osmania University as a Selector for Inter University Kabaddi Tournament for women held on November 14-15, 2023 at Dr.BR.Ambedkar Degree & PG College, Bagh Lingampally, Hyderabad.

Nominated Selector for Inter University Kabaddi Tournament

E-poster appreciation awards were won by 9 students of B.Sc & M.Sc Microbiology in the National Seminar titled "Post-Pandemic Scenario: Impending Virus Research" organized by Department of Microbiology, Osmania University, in collaboration with St. Pious X Degree and PG College for Women, Nacharam and MNR Degree & PG College, Kukatpally, Hyderabad, Telangana on Oct 11, 2023. The posters 'Mask-Demic' by Ms Kavya, Ms A.S. Vishnupriya and Ms Prerna, 'The Dominic Recoil - A study on global economic behavior during Pandemic' by Ms Shaik Shaheen Batul, 'Nipah Virus: A Comprehensive Overview By K. Beulah and N. Nikitha and

'Anatomy Of Virus' by Aliya Mubeen, Saba Samreen, Sirisha Nomula won the awards.
Well done and keep it up!!

Reward for Paper Presentation P.Lakshmi Sumana, student of II BBA participated in the Inter-Collegiate Research Paper Presentation Competition- *Samshodhana* organized by Indian Institute of Management & Commerce and won the 3rd Prize with a reward of 1000/-

Samshodhana by Indian Institute of Management & Commerce

Best Base Runner

Ms Varshini of I B.Sc MSDS was awarded as Best Base Runner in the Telangana Baseball Association organized Base 5 Tournament at Marredpally playground from Oct 23 - Nov 2, 2023.

Base 5 Tournament

II. Programs organized

Theatre Arts Workshop

The Department of Mass Communication organized a Theatre Arts Workshop in collaboration with *Bhoomika* Theatre Arts group on Sept 6, 2023. 45 students participated in the workshop and were oriented into several theatrical expressions, actions, and acting. The workshop concluded with a play staged by the participants.

Theatre Arts Workshop

A play by students

Matlab

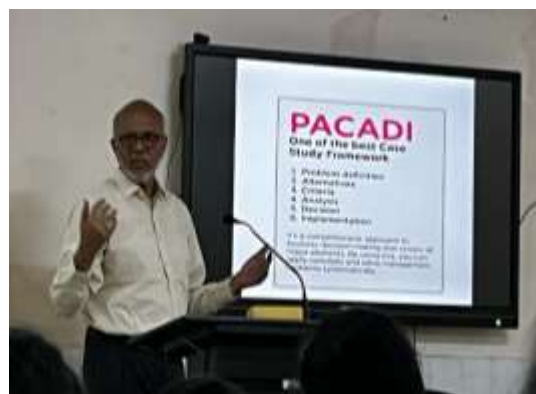

The Department of Mathematics conducted a One Day workshop on 'Linear Algebra using MATLAB' on Nov 23, 2023 for UG final year students of St. Francis College, Hyderabad. The Resource persons were Mrs. K. Jyothi, Head, Dept. of Mathematics and Mrs. Meherunissa Begum, Faculty, Dept. of Mathematics. Topics for Session -1 were Basics of "MATLAB" formulae and their execution, Linear Algebra Echelon form matrices and for Session-2 Graphs for functions and their Modulations. 40 students attended the workshop and received E-Certificates.

Matlab

Case Study Analysis

The Department of Business Management conducted a workshop on Case study Analysis on Nov 20, 2023. The guest speaker was Prof. K. Narendranath, Professor (Retd.), Business Management, and Former, Chairman, BOS in Management, OU. 95 students of MBA attended the workshop.

Prof. K. Narendranath

Bioinformatics

A two-day workshop on 'Exploring the code of life- Python Programming for Bioinformatics and DNA Sequence Analysis' was organized by the Department of Biochemistry and Nutrition on Nov 9 & 10, 2023 for the UG final year and PG Biochemistry students. The Resource Person was Dr. Aravind Setti, Ruha Life Sciences. The objectives were to teach basics of python programming to Life science students, apply the knowledge of coding to understand the DNA sequence and also to help students realize the importance of multidisciplinary approach to problem solving.

Mental Health and Emotional Intelligence Seminar

A seminar on "Mental Health and Emotional Intelligence" was conducted on Sept 30, 2023 by the Department of Microbiology in collaboration with the Rotary Club of Hyderabad Centennial. Mr. Raj Tapadia, Director of SEVA free and Confidential Counseling Centre, was the resource person for the discussion, which was attended by 122 UG and PG Microbiology students.

Mental Health and Emotional Intelligence

National Seminar

The Department of Microbiology at Osmania University, in collaboration with St. Pious X Degree and PG College for Women, Nacharam and MNR Degree & PG College, Kukatpally, Hyderabad, Telangana organized a National Seminar on "Post-Pandemic Scenario: Impending Virus Research" on Oct 11, 2023 at PGRRCDE auditorium,

Osmania University, Hyderabad. 58 B.Sc. & M.Sc. students from Dept. of Microbiology, St. Pious X Degree and PG College for Women participated in e-poster presentations and won 4 appreciation awards in different categories of e-poster presentations. This national seminar on viruses contributed significantly to scientific advancement, motivating younger generations to new avenues of viral research aiding in the global fight against infectious diseases.

Post-Pandemic Scenario: Impending Virus Research

Exhibition - *Fermenti Licious*

The Department of Microbiology organized “Fermenti Licious - An Exhibit of Fermented Foods” on Sept 22, 2023, celebrating the International Year of Millets. 20 teams of BSc and MSc Microbiology students participated in the activity and exhibited various fermented foods of millets.

Fermentilicious

Mobile Science Exhibition

The Department of Microbiology in association with CCMB organized the Gene – Health Connect Mobile Science Exhibition on Oct 30 & 31, 2023 for the students and faculty.

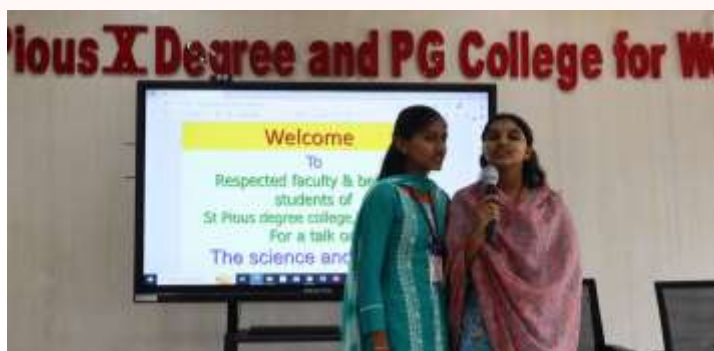

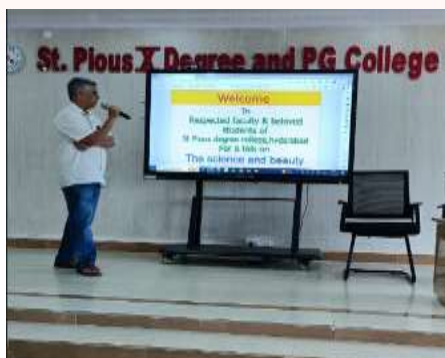

This exhibition focused and provided deep insights about various Genetic disorders through various infographic presentations about the molecular health of genes.

Gene – Health Connect Mobile Science Exhibition

Orientation Programs

Science & Beauty of Indian Music

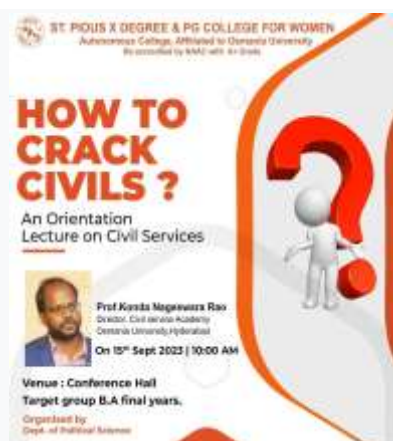

The Department of Second Languages organized “Science & Beauty of Indian Music” on Sept 14, 2023 to orient the students on how Science - Physics is interlinked with music. The resource person was Dr. MARK Prabhakar, Retd. Chief Scientist, CSIR, NGRI, Hyderabad. He explained how to improve concentration levels & memory levels through Indian Music. 121 students from II BSc Life & Physical Sciences participated in the programme.

Science & Beauty of Indian Music

How to Crack Civils

The Department of Political Science organized an orientation lecture on Sept 15, 2023 titled "How to Crack Civils" by Prof. K. Nageshwar Rao, Director of Civils Academy, Osmania University, Hyderabad. 80 students from BA attended the lecture.

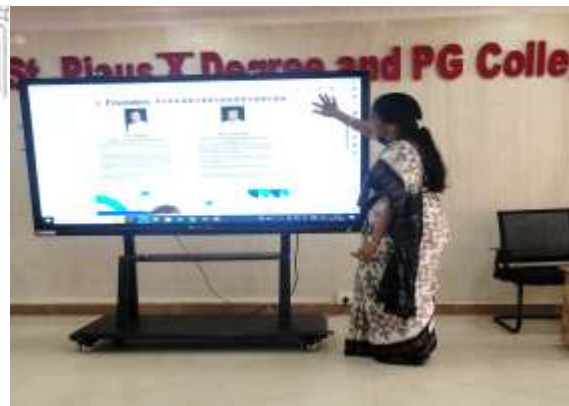

Power BI

Department of Computer Science in collaboration with Sansah Innovations Private Limited conducted an orientation program on “Power BI” on Oct 5, 2023 for UG II year students of MPCS, MSCS, MSDS and B.Com Bus. Analytics. 88 students participated in the program.

Classroom to Corporate

An orientation program was organized by Commerce Department on Oct 9, 2023 for the B. Com final year students on the Add-on Course - “Classroom to Corporate”. Two Chartered Accountants, Mr. Ram and Mr. Akhil from Double Entry Academy spoke about the need and content of the course and encouraged students to enroll for this course. The response of the students was positive.

Amantran 2023 - MBA

A five-day orientation program was organized by the Business Management Department for the new batch from October 6-10, 2023. Dr. Sangeeta Satyanarayana, IAS, MD, Telangana Foods, spoke on “Leadership Expedition Unraveling Success”. Prof. A. Patrick, Department of Commerce & PRO, Osmania University, delivered a session on “Strategic Problem Solving: Applying Critical Thinking to Business Challenges.” A session on “Designing your own canvas to be successful leaders” was

rendered by Mrs. Padmaja, HR Officer, AGI Glaspac Ltd, Alumni – 2009 on the third day and on day four “Employer’s Expectation & Eye openers to employability skills” was taken by Prof. K.V Achalapati, Director, Directorate of placement services, OU. The event came to a close on the fifth day with

“Employability Quotient in Artificial Intelligence ERA” by Mr. Mahendar Kondapalkala CGO, ILLONATI Innovations Pvt LTD, CEO & Founder, Green Bliss Argo.

AMANTRAN 2023

Vote Sweep

On Nov 14, 2023, an orientation on Vote Sweep was organized by NSS and Dept. of Political Science. Mr. Yadaiah, Duty Officer, Medchal Collectorate office briefed the students to cast their preferential vote in 2023 elections on Nov 30, 2023. 150 students attended the session.

Vote Sweep

Career guidance/ Counseling

Competitive exams and higher studies

The Department of Chemistry conducted a career guidance session for B.Sc Life Science students on Sept 27, 2023 to reflect on competitive examinations and assist students in applying to Universities for higher studies. The speaker Mr. Chandra Mohan, Managing Director of Erudite Coaching Center, explained the application process, tentative release date of application forms, eligibility criteria, question paper patterns and subject choices in different Indian universities. He also spoke about scholarships and exams to be written to apply for higher studies in universities in other countries. 173 students benefited from the talk and clarified their doubts regarding higher studies.

Career Guidance for Competitive Examinations

Entrance Exams for top B-schools

The Department of Commerce, in collaboration with TIME Institute, organized a Career orientation session for UG final year students on Oct 30, 2023 for cracking Entrance Exams for top B-schools, including the prestigious Indian Institutes of Management (IIMs). Mr. Asim Akthar General Manager - Operations at TIME Institute was the resource person for the day. The orientation was highly informative and beneficial attended by 290 students.

Career Orientation Session by TIME Institute

Career Choices after Graduation

The Department of Statistics and Physics organized a seminar for B.Sc Physical Sciences students on Oct 13, 2023. The Resource Persons were Mr. Hussain & Mr. Rishab, T.I.M.E Institute, Tarnaka, Hyderabad who gave inputs on how to crack the entrance examinations like MAT, ICET and Bank exams to get admission for MBA & MCA courses.

Career Maze

The Department of Public Administration organized a Career Guidance Program on "Career Maze" for the students of BA EPP & PPML on Oct 12, 2023. The Resource Person was Prof. Murali Darshan, Committee Chairman Foreign Affairs and Investments, Telangana Chambers of Commerce and Industry. The talk focused on the career guidance program for Bachelor of Social Sciences emphasizing diverse paths, including social work, research, human resources and masters in social work or public administration. It provided insights into nonprofit organizations, government agencies, and private sectors, helping graduates make informed decisions aligned with their interests and goals. 75 students attended the program.

Career Maze

Scholarship Test

The Department of Social Sciences organized a scholarship test conducted by KSG IAS Group for UG & PG students on Oct 5, 2023. The students clearing the test would be given the scholarship for civil aspirants taking the civil services coaching at KSG group of Institution. 344 students participated in the test.

Scholarship Test Conducted by KSG IAS Group

Career guidance by Times Institute

Students of II and III B.Sc Physical Sciences attended the Career Guidance Programme jointly organized by the Dept of Physics and Statistics in association with the Times Institute on Oct 13, 2023.

Career Guidance on CMA

A Career Guidance on CMA by Mr.Rajesh Singh -Head of Global certifications at Imarticus Learning CA was organized on November 2, 2023 for I BCOM students. 180 students attended the programme.

Guest Lectures and Expert talks

Nutrition and Health Management

The Department of Biochemistry organized a talk on "Nutrition and Health Management" on Sept 27, 2023 by Dr. Suresh Challa, Scientist F, Deputy Director Head, Department of Cell Biology, National Institute of Nutrition (ICMR). Students from II BA, BBA, and B.Sc. Life

sciences attended the talk.

Dr. Challa presented an overview of health and how nutrition is crucial to preserving it. He provided a classification of food based on their nutrient content, their sources and the value of a balanced diet. The session ended with diet tips for women for a better life.

Nutrition and Health Management

Civil services training in India

The Department of Public Administration organized a talk on Civil services training in India for the students of BA EPP & PPML on Sept 27, 2023 by Dr. Kumara Swamy, Department of Public Administration, Nizam College, Osmania University. The session aimed to shed light on the significance of civil services, the challenges faced by aspirants, and the role of training institutions in shaping

future administrators. It motivated the students in their preparation with determination and a strategic mentality. The session was attended by 70 students.

Civil services training in India

Webcasting Training Programme

The Department of Social Sciences organized Training for web-casting volunteers on 29-11-2023. Around 10 students were selected from various streams as volunteers for Telangana State Assembly Elections. Medchal deputy Collector trained the students for webcasting making them socially responsible citizens.

Webcasting

Solid-State Physics

The Physics department hosted a guest lecture on "Solid-State Physics" on Sept 22, 2023 by Dr. N. Narsimlu, Associate Professor, Head, Department of Physics, Engineering College, Osmania University. Dr. Narsimlu discussed the fundamental concepts and advancements in Solid-state Physics, intricacies of crystal structures and the behaviour of matter at the atomic and sub-atomic levels. 61 students from BSc. attended the lecture.

Reading Literature

The Department of English organized a guest lecture on "Reading Literature" for B.A ML students on Sept 25, 2023 by Dr. K.W. Christopher, Asst. Professor, Osmania University. He explained the contributions of well-known authors to the English language and how to understand and analyze various literary works. He provided an insight into Old English and the development of Modern English while giving examples from the history of the English language. The lecture was attended by 70 students from BA.

Vitamin D Deficiency

The Department of Business Management organized a guest lecture on "Vitamin D Deficiency" for II and III BBA students on Sept 22, 2023, by Dr. V Ratnakar, Consultant Orthopedic & Joint Replacement Surgeon. It was to raise awareness about Vitamin D deficiency among students and provide them with the necessary skills to identify warning

signs and take appropriate action through various fundamental concepts and advancements in Vitamin D deficiency. The session was attended by 70 students.

Critical Thinking for Problem Solving

The Department of Business Management organized a guest lecture for II and III BBA students on the topic "Critical Thinking for Problem Solving" on Sept 26, 2023 by Dr. Sreelakshmi Shankar Ph.D, Post Doctoral, L & D Expert. She emphasized the role of critical thinking in problem-solving and the need to develop critical thinking skills to succeed in academic and professional lives. The session was attended by 60 students.

Critical Thinking for Problem Solving

Women Leaders as Entrepreneurs

A session on "Women Leaders as Entrepreneurs" was organized by the Department of Business Management for UG & PG Students on Sept 30, 2023 by Dr. Jayshree Patil Dake, Convenor, Women Development Cell, Faculty of Economics, KP B' Hinduja College

for Women of Commerce, Mumbai.

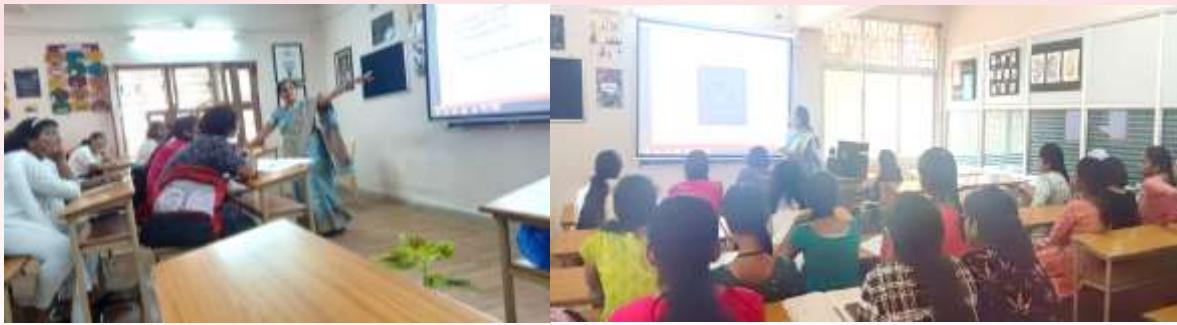

Women Leaders as Entrepreneurs

Graphs and Trees

The Department of Mathematics arranged a guest lecture for I BCA students on "Graphs and Trees" by Mrs P.Chandrakala, Asst. Prof., Aurora College on Sept 25, 2023. The

speaker explained the concept of Trees, properties of Trees, spanning Trees and subTrees, DFS, BFS, Prim's Algorithm and Kreskas's Algorithm.

Graphs and Trees

Samskrutha Sambhashanam

The Department of Sanskrit organized a guest lecture on the topic "Samskrutha Sambhashanam" on Sept 9, 2023. The speaker was P. Gopalakrishna, Asst. Professor and Head, Dept. of Languages, IIMC Khairathabad, Hyderabad. 143 students from I BA, BBA and BCom Computer Applications & Business Analytics participated in this programme.

Samskrutha Sambhashanam

Statistical Data – Analysis and Interpretation in SPSS

The Department of Statistics organized a Guest Lecture for II and III B.Sc (MSCS & MSDS) students on Sept 20, 2023 on "Statistical Data – Analysis and Interpretation in SPSS". The speaker was Retd. Prof. V.V. Haragopal, Dept. of Statistics, UCS, OU, Hyderabad, Institutional Review Board Member (Clinical Trials), Aurobindo and Axis Pharma, Hyderabad. He interacted with the students and connected their subject knowledge with the topic. Using real time data / case studies, he explained the data types and various tools used to analyse the data in SPSS, and how to write the conclusion based on the results obtained.

Statistical Data – Analysis and Interpretation in SPSS

Insurance - The Business of Caring

An expert talk was organized on Oct 5, 2023 by the Department of Commerce for the students of II B.Com on “Insurance - The Business of Caring”. Two Industry experts from the LIC of INDIA - Mr. G. Chandrasekhar and Ms. Radhika Reddy were invited to share their experience and expertise in the field of insurance. 180 II & III B.Com students attended the programme.

Solid State Chemistry

The Department of Chemistry organized a guest lecture on Oct 9, 2023 for the I year B.Sc Life Sciences students on Solid State Chemistry by Dr. M.Thirupathi, Assistant Professor, University College of Science, Osmania University. 96 students attended the lecture.

Solid State Chemistry

Design your own canvas

“Designing your own canvas to be successful leaders” was rendered by Mrs. Padmaja, HR Officer, AGI Glaspac Ltd, Alumni – 2009 on the third day of Amantran 2023.

MBA Guest Lecture

Kavithwa Adyayanam Prayojanalu

Department of Telugu organized a guest lecture for I year UG students on “Kavithwa Adyayanam Prayojanalu” on Oct 12, 2023. The Resource person was Prof. C.Kaseem, Head, Dept of Telugu, Osmania University, Hyderabad. He motivated & encouraged the students to write poetry. 76 students participated in this programme.

Kavithwa Adyayanam Prayojanalu

Empowering the Next Generation

On account of International Democracy Day the dept. of Political Science organized a guest lecture Oct 6, 2023 on the theme ‘Empowering the Next Generation’. The session was delivered by Dr. Thejaswini, HOD, Dept. of Telangana Mahila University, Hyderabad, who interacted with students on how the role of the next generation is important in today's Society. The lecture also gave a brief discussion on how elections are done and also quoted “ONE VOTE ONE VALUE” from the historical aspect of democracy - What is Democracy? How do people recognize their Rights, Duties, Responsibility Rules and Regulations towards making this country a better place to live in? And what is the role of youth as the next generation to run the country.

Empowering the Next Generation

Accounting Standards

An expert talk was organized by the Commerce dept. on Nov 2, 2023 for I BCOM students on Accounting Standards - “Insights and implementation” by Mr. Ravi Kumar Pisey. 180 students attended the talk.

Unlocking Profit Potential

An expert talk was organized on Nov 9, 2023 by the Department of Commerce for the students of III B.Com on the Topic “Unlocking Profit Potential” Tally’s AR & AP Management Strategies. Mr.Srinivas, Certified Tally Trainer, was invited to share his experience and expertise in Tally. 180 students attended the talk.

Advanced Data Visualization

An expert talk was organized for III B.Com Business Analytics students on Nov 24, on “Advanced Data Visualization”. The Resource Person was Mr. Mahindrakar Varun, Faculty, Skill Development, Avinash College of Commerce. Mr. Varun shared insights on the significance of Advanced Data Visualization in modern analytics and demonstrated various tools and techniques, including industry-leading platforms like Tableau and Power BI through case studies and practical applications in different business scenarios. He encouraged the participants through interactive Q&A sessions and a hands-on workshop for practical learning.

Budget and GST

The Department of Economics organized a guest lecture on ‘Budget and GST’ on Nov 21, 2023. The resource person was Dr. A. Dhana Lakshmi, Head Department of Economics, Kasturba Gandhi Degree College for Women. The speaker highlighted on the objectives of deficit financing; GST in India, Budget, and briefed about financial relations between the Centre and state. 30 students attended the session.

Budget and GST

Market Structures

A guest talk was organized by the department of Economics and Business Management for I BBA and BA students on Market Structures on Nov 9, 2023. The speaker was Dr. A Dhanalakshmi, Associate Professor, Kasturba Gandhi Degree & PG College for Women. 90 students attended the talk.

Market Structures

Interview skills

A guest talk on ‘Interview skills’ by Ms Divya Varikuti, Manager, Big 4 Organizations was arranged by Department of Business Administration, on Nov 10, 2023 as a Pre-placement activity for I and II BBA students on Presentation skills and for III BBA and I MBA students.

Interview Skills

Phase Rule

The Department of Chemistry organized an expert talk on 'Phase rule' for II B.Sc, I and II PG Chemistry students on Nov 7, 2023. Dr. Uma Rani Bhagavathula, Assistant Professor, Department of Chemistry, St. Francis College, Hyderabad, enlightened the students on phase rule. Students gained a lot of information about phases, components, one and two component systems. 96 students attended the lecture.

Phase Rule

Constitution of India

On Nov 28, 2023 Dept. of Political Science and NSS Committee organized an Expert Talk on 'Constitution of India - Values and Orientations' for BA students and NSS volunteers. The guest speaker was Prof. P. Venkata Ramana, Principal, GDC, Chanchalguda, Hyderabad. The session covered the historical outlook and insights of our Indian Constitution and the struggle of the makers of the constitution. 135 students attended the session.

Green Initiative

As a part of the green initiative an expert talk was organized on Nov 14, 2023 by the Commerce department by Dr. Shalini, Gynecologist for I B.Com students on "Navigating Women's Gyneic Health and Embracing Sustainable Solution". Dr. Shalini explained the importance of women's gynecological health and suggested various alternatives such as biodegradable material in place of regular chemical based sanitary pads. She suggested various eco-friendly options to be used in place of hazardous

options which youth are using today and facing gynecological issues, causing health and environmental damages. It has been a very informative session where students got to know more about various options for saving the environment.

Navigating Women's Gyneic Health - sustainable solution

Educational and Field trips -Experiential Learning

Biochemistry and Microbiology Students Dive into CCMB's Open Day

35 UG and PG students of Biochemistry attended 'CCMB Open Day' at the Centre for Cellular and Molecular Biology on Sept 26, 2023. The event aimed to provide an immersive experience in a real-world lab environment, ignite academic curiosity, and gain insights into current research. The students were introduced to the world of CCMB, including its rich history, ambitious mission, and noble objectives. They were split into smaller groups and assigned guides who took them to various cutting-edge laboratories revealing scientific marvels such as Transmission Electron Microscopes (TEM), spectroscopy instruments, and flow cytometry machines. The students were introduced to model organisms, environmental shifts and DNA sequencing techniques. The trip served as a motivating factor for the students to delve deeper into Biochemistry and related fields.

Open day visit at the Centre for Cellular and Molecular Biology (CCMB)

The Department of Microbiology organized a field trip to CCMB on Sept 26, 2023 for 97 students of III B.Sc & II M.Sc Microbiology accompanied by faculty members.

Open day visit at the Centre for Cellular and Molecular Biology (CCMB)

Solid Waste Management Unit, Gandipet

Under student centric activity the department of Chemistry arranged an educational trip for III B.Sc & M.Sc students to Solid Waste Management Unit, Gandipet on Oct 7, 2023. 25 students and faculty members visited the unit. The motto of this programme was to create awareness on Recycling and/or reusing the waste that is produced, which benefits the environment by lessening the need to extract resources and lowers the potential for contamination. Under the guidance of Mr. Aravind, Secretary, Gandipet Welfare Society. Students learnt aerobic composting methods where microbes are responsible for composting and are naturally occurring, live in the moisture surrounding organic matter and oxygen from the air diffuses into the moisture and is taken up by the microbes.

Educational Field Trip to Solid Waste Management Unit, Gandipet

Millets Incubation Center

An educational trip was organized by the Dept. of Botany and Biotechnology for Botany students to Millets Incubation Centre, Professor Jaishankar Telangana State Agriculture University, Hyderabad, Telangana on Nov 7, 2023. Dr. Anila Kumari, incharge, incubation centre along with her team explained the procedure of millets -processing of food. Students visited the Horticulture Dept. and Mushroom growing techniques unit where they learnt the methods of growing vegetables and mushrooms on entrepreneurship skills. 58 students and 2 faculty participated in this visit.

Millets Incubation Centre, Professor Jaishankar Telangana State Agriculture University, Hyderabad

Asian Institute of Gastroenterology

The Department of Biochemistry organized a visit to Asian Institute of Gastroenterology Sept 23, 2023 to attend Dr. Bhaskar Reddy Memorial lecture on 'Transforming Healthcare from a Disease Orientation to a Wellness and Prevention Focus' delivered by an eminent scientist Dr. Leroy Hood. 38 students accompanied by 2 faculty Dr. Helah Kiranmai & Ms. Aishwarya

Asian Institute of Gastroenterology

KS Bakers Manufacturing Unit

The Department of Commerce organized an educational field trip for the final year B.Com on November 18, 2023. 58 students and two faculty members, Commerce Dept. - Mrs.Radhika and Ms.Ch.Rachana visited KS Bakers Pvt. Ltd. Manufacturing unit, Sreeram Nagar Colony, Patanchervu.

KS Bakers Manufacturing Unit

Wellness programme

The Biochemistry Department organized a Wellness programme on Oct 12, 2023 for staff and students by the team Kayapalat. It started with a motivational talk on the importance of the planned workout that is person specific followed by their case studies on transformation.

The members of Kayapalat were Kakoli and Shyam Biswas, Hyderabad Marathon runners, International Master Coach @kayapalat24 wellness Ipsita Panigrahy, Senior coach @ Kayapalat24 wellness, Dr Winnie Thomas, Scientist B, Gandhi Hospital and International Super Coach @ Kayapalat24 Wellness.

Dr.Winnie Thomas inspired the gathering with her own transformation story followed by a talk by Mrs.Kakoli Biswas and Mr.Shyam Biswas. Later the team conducted the basic tests and gave suggestions based on the report. More than 100 participants comprising students, faculty members and non-teaching staff actively took the tests.

Wellness programme for staff and students by team Kayapalat

III. Student Centric Activities

Club Activities

Club Investiture Ceremony

Investiture Ceremony of 32 clubs with 20 Academic, 8 Non-academic and 4 ISR Clubs took place on Nov 9, 2023 to instill a sense of responsibility with rigor & vigor to ensure smooth functioning thereby enabling them to be the torch bearers of the student fraternity.

The chief guest was Mr.Alexander Mc Laren, Public Affairs Officer, US Consulate, Hyderabad accompanied by Mr.Senthil Kumar, Public Engagement specialist, US Consulate, Hyderabad and Ms. Nausheen Ali, English Language and Education Outreach Coordinator, Public Diplomacy Section, Hyderabad.

The chief guest Mr.Alexander Mc Laren emphasized and encouraged the students to focus on leadership and their contribution to the society at large.

The Correspondent Rev.Sr.Alphonsa and the Principal Sr.Dr.Velangini Kumari congratulated the members of the various clubs and suggested to lead them with innovative ideas, fostering leadership with team spirit thereby paving a way to Nation building at large.

Club Investiture Ceremony

The **Spoorthy** Club of the Department of Commerce organized an event for B.Com final year students on "G20 Summit-Impact on Global Development" on Sept 23, 2023. The event was successful in creating awareness among the students about foreign policies, international collaborations, global issues, and international peace. The G20 summit

themes were presented by the students in the form of a competition. There were 10 presentations by 20 students. Retd. PEARL

Wesley High School

The PEARL Volunteers visited the Wesley Co-Education High School on Sept 1, 8, 15, and 22, 2023. They imparted the basics of English to the school children. The volunteers taught topics such as prepositions, articles, and idiomatic expressions through interactive activities and engaging discussions. By making learning fun and relatable, the volunteers inspired these young minds to embrace the beauty of language and communication.

PEARL visit to Wesley Co-Education High School

Extension Activities

The Department of Zoology and Genetics organized ITC-WOW Paper Recycling Activity on Oct 22 and 23, 2023. The faculty and students contributed 2.5 tons of dry waste, old

books, and paper waste, which were collected and sent for recycling. ITC WOW appreciated the students with certificates and in exchange Classmate notebooks and stationery were given to the participants.

Ms P. Saavika of I B. Com Comp.Sc with the highest contribution of 86.8 Kg of recyclable waste and Ms Shaik Farheen of I Bsc. MSCS with 43.3 Kg were presented with medals. The Department of Chemistry with the highest contribution of 232 Kg of recyclable waste and the Department of Commerce second with 152 Kg were appreciated with Trophies and certificates.

ITC-WOW Paper Recycling Activity

Food Donation Drive:

Strata Club, Department of Statistics organized Food Donation Drive on Oct 12, 2023 on the occasion of World Food Day. 30 students from B.Sc MSCS & MSDS, Dean, Student Affairs, Support Staff and faculty from the department took part in this event and distributed food packets at Gandhi Hospital, Secunderabad with help of Mr.Ragesh, Social Activist.

No-frill Accounts

An ISR activity by Dept. of Commerce, for opening of No-Frill Accounts in Bank of Baroda encouraged financial inclusion on Nov 10, 2023. This initiative significantly impacted the college community by promoting financial planning and making the students acquire the skill of managing a bank account independently and enabling the students to get the advantage of On-Campus -Banking services.

Interactive Sessions

The Department of Zoology and Genetics organized an extension activity at Model High School, Sitaphal Mandi, Tarnaka on Nov 24. This program, tailored for school girls studying in classes 8, 9, and 10, aimed to raise awareness on crucial topics related to puberty, menstrual cycles, sanitary health, PCOS & PCOD, gender attraction, good touch & bad touch, child marriage, and early pregnancy. Fourteen students of II B.Sc

MGC and MZC participated in this extension activity, delivering informative sessions and engaging discussions. The school students exhibited great attentiveness throughout, actively participating in the activities. Two interactive sessions were conducted. The experience and learning outcomes of this awareness program will surely empower these young girls to make informed decisions about their health, understand the importance of hygiene, and navigate the complexities of puberty with confidence.

Laalana Welfare Organisation: The team members of Literary Club visited the orphanage by Laalana Welfare Organisation as a part of extension activity conducted by the English department on Nov 11, 2023. BA students took an active role in interaction and learnt about their daily routine activities, contribution of work and school life. The department contributed Rs. 3,000 towards their meal.
