PEARL

PIOUS EMPOWERMENT AND REACHOUT PROGRAMME FOR LEARNING

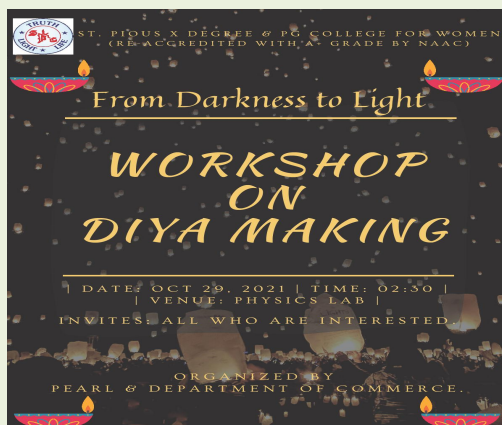

ACTIVITY REPORT

2021-2022

7th September ,2021: PEARL in Collaboration with Social Science Department on eve of Teachers day , helped needy women by allowing them to put a stall in the college and sell handmade wire bags . The sale was good and could help the needy women financially.

29th ,October 2021: The PEARL Committee in collaboration with commerce department organised a "Workshop on Diya Making on 29th October, 2021 " where all the interested students were invited to participate in this event. The event was conducted to introduce Diya making and enhance artistic skills of the students. Around 100 student participated and learned the skill of Diya making and prepared around 100 varieties of diyas . The workshop was supervised by Faculty and led by students selected from all the B.Com Classes

1st & 2nd November ,2021 :The PEARL Committee in collaboration with Department of Commerce collaborated and sold all the Diyas which were made in the Workshop on the Eve of Diwali . Rs.3000/ was sponsored by the college Management with which materials such as Earthen lamps, gel wax, glasses, moulds and stationery were bought. The students using their artistic skills made various products such as Painted Diyas, Designer Diyas and Gel wax candles.

The “Diwali Sale” started on 1st November 2021. The proceeds of sale were as follows:

Particulars	Sale proceeds Day wise	Amount (Rs.)
Sale proceeds:		
1 st November – Rs. 260	Rs.260	
2 nd November– Rs. 1885	Rs.1885	

3 rd November – Rs. 1695	Rs.1695	3840
Less: Material expense		(3000)
Income over expenditure		840

There was enthusiastic response from the students for the Diyas and were sold very quickly. There was an additional demand for the Diyas, to cater to which the students put in their best efforts and quickly made many beautiful Diyas and Candles.

28th February 2022, PEARL students of I and II M.Sc. (Physics) and Mrs. Paleena, Faculty, Department of Physics visited Wesley Government High School, Nacharam to celebrate National Science day.

Mrs. Paleena explained the need of virtual labs for science experiments and demonstrated **Basic science experiments using virtual labs** for 8th and 9th Class students. PEARL students demonstrated basic

electric circuits. Drawing competition on the theme 'Science and Environment, on this occasion and prizes were distributed to the winners.

On 28th February 2022: PEARL students along Mrs. Paleena, Faculty, Department of Physics visited Wesley Government High School, Nacharam to conduct orientation program on **Health and Hygiene** to all girl students of 6th and 7th standard.

Good personal hygiene is one of the best ways to protect from getting infectious diseases and it also helps to prevent from spreading diseases to other people and eventually leads to good health.

Pearl students created awareness to Girl children about the habits that affect the Health and personal Hygiene practices at home, school and at public places.

11th August, 2022 : **CELEBRATION OF RAKSHA BANDHAN**

The PEARL volunteers in collaboration with STARS visited Central Jail at Cherlapally on 11th August 2022 to Celebrate Raksha Bandhan with Inmates. Mrs. Geetha PEARL Coordinator and Mrs. and Mrs. Swarna, PEARL Committee Member along with 9 Volunteers reached the Venue at 11 am and tied rakis to the Officers and the inmates and distributed sweets. They made the inmates Happy.
