RCS has successfully organised 180+ conferences, seminars, symposiums, educational programs and corporate training events at national and international level in association with different Institutions. It publishes research work through International level publication of journals with ISSN and books with ISBN.

About the Conference

Language has been central to India's Civilisational Heritage, preserving Knowledge, Culture, Values and Identity across generations. As India moves towards Viksit Bharat@2047, languages can serve as powerful bridges between tradition and transformation, contributing to education, innovation, technology, research, cultural continuity and inclusive development.

The Department of English and Second Languages, St. Pious X Degree and PG College for Women, Hyderabad, in collaboration with the Research Culture Society (RCS), is organising a Two-Day National Conference "From Tradition to Transformation: Languages in Building Viksit Bharat@2047." The conference provides an interdisciplinary platform to explore the role of languages across education, arts, sciences, commerce, management, technology, media, culture and social development in shaping a knowledge-driven, inclusive and future-ready India.

Conference Objectives

- To explore the transformative role of languages in advancing the vision of Viksit Bharat@2047.
- To examine the interface of languages with Artificial Intelligence, emerging technologies, innovation and digital communication.
- To promote interdisciplinary research connecting languages with education, arts, sciences, commerce, management, media and social sciences.
